Applications Built

Cartoon Friend Finder | Full-Stack Application

An application to help you find your best match in a cartoon friend

- Class homework enhanced by adding more design and theme elements. A survey that matches the user with a personally created API of cartoon characters. The user is also, then, added to the API without persistence
- Used HTML, CSS, Bootstrap, JavaScript, jQuery, node.js, AJAX
- <https://salty-sea-60327.herokuapp.com/>

I Love Sitcoms | Front-End Application with 2 APIs

A just-for-fun application to gather information and gifs on sitcoms and add your own

- Class homework enhanced by the idea of adding a second API that adds information on each sitcom in a dynamic environment
- Used HTML, Bootstrap, CSS, JavaScript and jQuery, Giphy API, OMDB API
- <https://bleauwonder.github.io/Giphy-Time/>

Sun Records Trivia | Front-End Application

Timed trivia game application about Sun Records

- Class homework enhanced by making each question its own dynamic slide and a 60 second timer for all 10 questions
- Used HTML, CSS, JavaScript and jQuery
- <https://bleauwonder.github.io/TriviaGame/>

Professional Experience

YAI Network | Data Analyst | New York, NY

08/2019 - Present

Analyze employee and business process data in Workday, as well as work with IT in SQL.

- Help new employees move through the hiring process in Workday through troubleshooting where the process stopped and adjusting it.
- Run reports for the HR and Payroll departments, and analyze what data is incorrect to correct it in the system.

YAI Network | Junior Human Resources Generalist | New York, NY

09/2018 – 08/2019

Recruited and provided Employee Relations for 5 clinics and all residential nursing, specifically bringing in LPNs, RNs, MDs, OTs, PTs, and LMSWs.

- Successfully created requisitions by writing accurate and correct job descriptions and posting them in ADP and job boards while screening candidates for initial contact with hiring manager
- Effectively researched and implemented best office practices to help streamline processes with SharePoint and spreadsheets to solve hiring issues
- Supported employees to work through problems with each other in a proactive way
- Ad hoc help with central office recruiting (finding a Web Development star, a CRM guru, and a database manager)

YAI Network | Project Coordinator | New York, NY

02/2018-09/2018

Used knowledge of information technologies improvement methodologies, including, but not limited to large Non-Profit agencies, Telecomm, Healthcare, Cloud Services (Azure), and Apple support while leading IT team in Agile huddles.

- Effectively created spreadsheets, presentations and other deliverables using Microsoft Office 365 as necessary for client engagement. Identified potential engagement sources and potential add-on opportunities
- Successfully developed content and taught Office 365 in a training environment with a small team, in preparation for an organization-wide migration
- Coordinated best development practices to reach the company-wide fundraising goal, as well as participated as a key team member in filming and introducing Virtual Reality videos to the greater YAI community

Freelance | Photographer | New York, NY

02/2015-Present

Take photographs for events and headshots

- Utilize Photoshop and Lightroom to adjust photos to look inviting on the web and in print
- Help clients build their brand through the stories they tell in their photographs

Freelance | WordPress Developer/Branding Specialist | Los Angeles, CA/NY, NY

05/2007-03/2016

Created websites on Wordpress.org and taught other entrepreneurs how to use it over Wix and Square Space

- Utilized HTML to adjust templates to make them as custom as possible
- Helped other entrepreneurs find their voice in their brand, website, and photos

TKO Suites | Office and Account Manager (Contract) | New York, NY

10/2016-12/2016

- Helped to sell potential small business owners on leasing open offices
- Handled all client relations including up-to-date payments
- Arranged for office cleaning and furniture rearrangement for offices

Bustle | Office Manager (Contract) | New York, NY

09/2015-01/2016

- Managed all inventory for the office, including the snacks and office supplies
- Copy edited and added product links to old and new Bustle articles.
- Aided in the planning and ordering for big office events.

Park East Animal Hospital | Client Services / Social Media/Blog Editor (Contract) | NY, NY

08/2015-09/2015

- Wrote new doctor biographies; researched and wrote content for the hospital blog and Facebook page
- Answered multiple phone lines and directed calls to the correct doctor
- Utilized Cornerstone to enter information and create reports for senior management

Zeno Consulting Inc | Executive Assistant | Culver City, CA

09/2011-03/2014

- Maintained quarterly financial reports for all clients
- Organized and streamlined all office procedures to run efficiently for two Vice Presidents
- Edited and proofread all in house literature such as newsletters and outgoing client content

Sylvan Learning Center | Instructor | Studio City, CA

09/2005-12/2007

- Instructed three students of various ages on many subjects, including math, reading, writing, as well as how to develop effective study skills.
- Aided students in the completion of homework.
- Helped develop a more restructured way to teach three students at a time to give each student special attention.

Do Rite Records | Office Manager / Executive Assistant to CEO | Agoura Hills, CA

09/2006-11/2007

- Simplified office procedures and created an efficient work environment through processes such as filing, rearranging and developing new reports.
- Booked domestic travel for CEO.
- Utilized QuickBooks to manage all expenses.
